NEW Policy for Club Disbursements: AHS PTSA wants to offer equitable support to as many AHS clubs as possible. The first 40 AHS student clubs or organizations that apply by December 15th are eligible for a $100 stipend. Clubs may continue to apply for additional funding through February 28th and will be granted additional money starting in January according to need and availability. Please use the PTSA Club Disbursement Form with receipts attached in order to apply for funding and expect that the approval process may take 2-4 weeks.
